Postal Code: \_\_\_\_\_

Civic Address: \_\_\_\_\_

(if you live in town this is your street address, If you live out of town this is your section/township/range and R.M.)

### VRC Refund Policy-

- 1) For lessons and season passes no refunds will be given, with the exception of medical reasons in which case a doctors note will need to be provided.
- 2) Switching levels once lessons have started will be allowed but refunds will not be given if the new chosen level costs less then the one previously paid for, however if there is a significant increase in price we will ask that you pay the difference.
- 3)Swimming lessons at the VRC pool are always subject to weather and sanitary water conditions, therefore in the event of a storm day or any incidents requiring chemical intervention there will be no rescheduling of lessons or refunds given unless a significant amount of days are missed(decided on by the instructors and pool staff).

We have no control over these issues so please work with us when these situations occur.
